

Windy Ridge Hutterite colony contacted Clark Rural Water and asked about availability of water 6 miles north of Garden city South Dakota for a swine barn. Our maps indicate it would be 2.5 miles form any line. Also, the lines in the area do not have the capacity to serve a swine barn.

Sincerely,

Clark Rural Water system

A handwritten signature in black ink, reading "Penny Kaufman". The signature is written in a cursive style with a large, looping initial "P" and a long, sweeping underline.
