Re: Proposed Lamar Colony Conditional Use Permit Application(s)
Clark County, SD

Dear Mr. Reidburn:

This letter is provided as a request to modify the previously submitted conditional use application for Lamar Hutterian Brethren.

It is our desire at this time to divide the previous application. We wish to revise the application for a religious farming community to include only the north half of section 28, T117N R58.

We also wish to remove the southeast quarter of section 21, T117N R58W from the above application, and instead include it in a separate application for a wastewater treatment facility.

So that these applications can be considered concurrently, we request that the hearing scheduled for the religious farming community application be delayed until the June agenda.

Please advise us as to the meeting date and any applicable deadlines.

Sincerely,

Kenneth Wollman
President, Lamar HBI
